# Our Pastors

Reverend Lawrence Poisson

On February 18, 1970 Reverend Eugene LaRocque came to Tecumseh as pastor of St. Anne's Parish. The students of St. Anne's High School extend a greeting of welcome and good wishes to him through the Lamplighter. We offer him our promise of loyalty and co-operation in making St. Anne's High School and parish a centre of Christian living. Welcome Father LaRocque--Bienvenu!

Reverend Lawrence Poisson joined our High School family at St. Anne's when he became the new pastor at St. Gregory's parish, St. Clair Beach. The staff and students welcome him to the area and extend best wishes for many years of friendship and happiness in our parishes.

St. Anne's High School has been given a new lease on Life. Unlike the Public High School students, we, the students of St. Anne's, must justify our existence. We must show, as we have in the past, that our spirit makes us more than a school. We have always been an important and necessary part of the community, and I am confident that this spirit will continue to burn.

## In Our School

Fellow Students,

Throughout the past year we have all been working toward a common aim, and that is Equality in Education. This fight has united St. Anne's with the 30,000 students in other separate High Schools in the Province. The Ontario Catholic Students Federation has accomplished a great deal in the quest for grants and recognition by the government. This could not have been possible without the help of you, the students. I would like to thank you on behalf of the students who will attend this school in the future and won't have to face this problem.

Sincerely,

*Greg Marcotte*
